

Project Manager (m/f/d)

Part- or full-time (20 – 40 hours), Aachen

We are looking for a part-time or full-time Project Manager to join our young, dynamic team.

ABOUT US

MANSIO has set itself the task of leading logistics into the future thus making freight transport faster, more efficient, safer, and more ecological thus creating more attractive working conditions. On that we are working on in our growing team of logisticians, computer scientists, engineers, and businesspeople, which we would like to strengthen with you.

WHAT THERE IS TO DO:

- Support in the organization, planning and implementation of industry and research projects
- Estimation and planning of resources
- Risk identification and assessment
- You create the schedules and monitor the achievement of goals in the project progress
- Coordination between the project team, management, and clients

WHAT WE ARE LOOKING FOR:

- You have 3-5 years of experience in logistics and/or IT industry
- A completed apprenticeship and/or degree in business administration or logistics
- You have a very good understanding in business administration and like to communicate
- Organisational talent and solution-oriented work round off your profile
- You have a good command of written and spoken German and English

WHAT YOU CAN LOOK FORWARD TO

- The chance to change the industry with your own ideas and solutions
- Complete IT equipment
- Further training opportunities according to your wishes and needs
- A young, motivated team, which consists not only of work colleagues but also of friends
- Regular team-building events

THAT SOUNDS GOOD?

Then join us, we would love to have you and your ideas become a part of our success. Just send us your CV od LinkedIn profile and a short cover letter to jobs@mansio-logistics.com so that we can get to know you.

We look forward to meeting you!
