

Senior Logistics Expert (m/f/d)

Part- or full-time (20 – 40 hours), Aachen

We are looking for a part-time or full-time Senior Logistics Expert to join our young, dynamic team.

ABOUT US

MANSIO has set itself the task of leading logistics into the future thus making freight transport faster, more efficient, safer, and more ecological thus creating more attractive working conditions. On that we are working on in our growing team of logisticians, computer scientists, engineers, and businesspeople, which we would like to strengthen with you.

WHAT THERE IS TO DO:

- You support the development and sales team as well as the management with your expertise
- You will support the development of the digital system for logistics network control and transport order allocation
- Together with the development team, you build and test the processes and services

WHAT WE ARE LOOKING FOR:

- You have several years of experience in a leading position and a hands-on disposition
- A completed apprenticeship and/or degree in the field of logistics
- Specialisation in road freight transport is an advantage
- You enjoy the designing, analysing and optimising processes
- You have a good command of written and spoken German and English

WHAT YOU CAN LOOK FORWARD TO

- The chance to change the industry with your own ideas and solutions
- Complete IT equipment
- Further training opportunities according to your wishes and needs
- A young, motivated team, which consists not only of work colleagues but also of friends
- Regular team-building events

THAT SOUNDS GOOD?

Then join us, we would love to have you and your ideas become a part of our success. Just send us your CV od LinkedIn profile and a short cover letter to jobs@mansio-logistics.com so that we can get to know you.

We look forward to meeting you!
